

TEAM **B**EST DAY EVER

JESSICA MOCK · LLS VISIONARY OF THE YEAR CANDIDATE 2024

Join us in our *fight to end cancer* as part of the 2024 Visionary of the Year fundraising campaign to support the Leukemia and Lymphoma Society. LLS is vital in the fight against blood cancers by providing funding for blood cancer research, patient services, education, and advocacy, and since 2000, approximately 40% of the cancer treatments began as blood cancer research.

THE FIGHT AGAINST BLOOD CANCER IS A FIGHT AGAINST ALL CANCERS.

Help us reach our goal as we anticipate the real **“Best Day Ever”**, the day we find a cure.
